**TRANSMITTAL NO. 113****LOCAL EXCHANGE SERVICE****SECTION 3 – SERVICE DESCRIPTIONS (continued)****3.49 Business Allegiance**

Business Allegiance is a retention product offering that is available only to existing Simplici-T Plus dynamic bandwidth customers currently utilizing Company facilities. Business Allegiance is a three (3) to five (5) line small business offering that utilizes T-1 delivery of local exchange service and Internet service. Local exchange service and data transmission share the available bandwidth, using all available bandwidth for data transmission when voice lines are not in use. Voice service takes precedence over data and, as voice transmission is required, Internet bandwidth is reduced to accommodate voice needs.

As part of the base package, each business line includes Expanded Calling Service (LATA-wide local calling). To accommodate Expanded Calling Service, the Company must be selected as the IntraLATA toll carrier. Each business line will automatically be configured with the following features:

Custom Code Restriction 4	Call Block
Speed Calling 30	Call Tracing
Three-Way Calling/Custom Call Transfer	Repeat Dialing
Call Return	Call Selector
	Signature Deluxe

Hunting is a feature included in the base package and will be configured as defined by the Customer. The following additional calling features are available for selection by the Customer and carry no additional charge; however, these features are subject to availability in the serving central office and must be compatible with other calling features:

Features and voice mail will not be available on the Simpli Analog line. All other Simpli Analog provisions as set forth in Section 3.43 apply. The Simpli Analog line may be added to a single Business Allegiance T-1 site at the rates set forth in the Rates Section of this Tariff.

T-Remote is an available option for multi-location customers whose master location subscribes to Business Allegiance but who also need analog service with calling features and/or voicemail service. Business Allegiance customers are allowed no more than two (2) T-Remote locations per T-1 with a maximum of one (1) T-Remote line at each location. All other T-Remote provisions as set forth in Section 3.35 apply. See Section 4.1.37 for applicable T-Remote rates.
